| <b>Date</b>          | 26 June 2026                                        |
| <b>Team ID</b>       | XXXXXX                                              |
| <b>Project Name</b>  | EduGenie – Google Gemini Powered Learning Assistant |
| <b>Maximum Marks</b> | 4 Marks                                             |

### Empathy Map

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.
